Viking Auto Sport
Invites to Auto Navigation
VIKINGERUNDEN 2017
NEZ1, DM2, SM2
May 12th 2017

Welcome to Vikingerunden 2017.

Once again, the first round of NEZ has been put in the hands of Viking Auto Sport.

And once again, we have strived to find the best terrain for the settlement of a NEZ Championship event, and this time we hope to succeed in finding the right level of difficulty for a Friday event, so everyone is fairly fresh for the following day.

We have found a terrain with many roads where the NEZ-route in some places will be presented for what we call "free" roads in the Danish rules. For the same reason the DM/SM event, which runs alongside (ABCD classes), will not be part of the NEZ route.

We naturally hope to see many participants from the other NEZ countries and look forward to welcome you to Frederikssund in May.

INVITATION FOR AUTO NAVIGATION

The competition is arranged as per DASU rules for auto navigation in Denmark, this invitation and supplementary bulletins.
